

ESTHETICS

“Competence in Esthetics”

The second joint international eastern european dental excellence seminar powered by IVOCLAR VIVADENT AG

Advancement through knowledge

Ivoclar Vivadent is offering a high-quality professional training course again

Continuing further education enables dentists and dental technicians to keep abreast of these developments. This year's professional training program “Competence in Esthetics” by Ivoclar Vivadent will take place in Budapest from 12 to 13 November 2010. Seven internationally renowned specialists from various countries will lecture on the topic of “The Esthetic Restoration of Teeth”.
